

## Frequently Asked Questions

- ❖ Is there a limit to the number of guests I can invite?
  - Yes. Due to space constraints and to maintain a better instructor to child ratio our parties are designed to accommodate between 20-30 participants.
- ❖ Where should our guests meet?
  - You can meet your guests at the whale fountain prior to the start of your party. Once the guests are gathered your Instructor will guide you into the party room.
- ❖ Can we bring additional decorations?
  - Yes. We provide tablecloths and birthday party banners. If you would like to add more decorations to the party patio you may. However, we cannot accommodate balloons, piñatas, or additional entertainment.
- ❖ Does the Birch Aquarium provide any food or beverages for my party?
  - No. You are responsible for providing the cake, any snacks, or beverages for your guests. We will provide tablecloths on the party patio. We can recommend a local pizza company that delivers to the Aquarium.
- ❖ Is there a refrigerator to store my cake and ice cream?
  - No. The Birch Aquarium does not have a refrigerator for public use. It is suggested to bring a cooler with ice.
- ❖ What is the gift for children?
  - Each child will receive a marine themed Birch Aquarium toy animal relating to the party. These toys are soft and appropriate for all ages.
- ❖ Can we tour the aquarium after the party?
  - Yes. At the conclusion of your party you and your paid guests may tour the rest of the aquarium. Please make sure that all items have been removed from the party patio before doing so.
